

## All Abilities Soccer Program for Children 2018

Barnstoneworth United Junior Football Club (BUJFC) is a thriving junior club based in Williamstown with over 450 boys and girls playing through all age groups. In conjunction with the senior club BUJFC are proud to support the local community and an important part of that is running the 'Football 4 Fun' soccer program for children with an intellectual and/or learning disability. We have been supporting this since 2008 and are pleased to announce we are running it again this year!

The 'Football for Fun' program:

- is free
- is open to boys and girls aged 6 to 15 years old, no soccer experience necessary
- teaches co-ordination and ball skills through a variety of games
- includes the option of playing in the All Abilities FFV league
- is flexible - no need to sign up for the season – come along to a session and see what it's like
